

# Forklift Operator Training Classroom Preparation

## BLR's Safety Training Presentations

### OSHA's Forklift Operator Requirements

- ☐ Have you read the Powered Industrial Truck requirements (www.osha.gov) located in 29 CFR 1910.178?
- ☐ Does your company have a written powered industrial truck program?

### Preparing Handouts and Training Props:

- ☐ Print out and make copies of the Forklift Operator Training Quiz.
- ☐ Bring a copy of your company's powered industrial truck program to show the employees.
- ☐ Print out and make copies of the forklift operator driving evaluation form.
- ☐ Print out the authorized forklift operator cards on card stock. Note: Laminating the cards will make them last longer.
- ☐ Bring copies of your company's pre-operation inspection form.
- ☐ Bring a copy of a nameplate off one of your forklifts (if possible).
- ☐ Bring blocks or Legos to help demonstrate loads and center of gravity.
- ☐ Obtain and bring a toy or model forklift as an additional visual aid.
